k. Description of Transfer and Lease of Project Lands Request: In the original application filed on October 20, 2020, the applicants requested that the Commission approve the transfer of the following projects from Sappi North America, Inc. (Sappi) to Presumpscot Hydro LLC (Presumpscot) as the sole transferee: Saccarappa Project No. 2897, Gambo Project No. 2931, Mallison Falls Project No. 2932, Little Falls Project No. 2941, Dundee Project No. 2942, and Eel Weir Project No. 2984-123. The Commission issued notice of the application on January 26, 2021. On June 21, 2021, the applicants submitted an amendment to the original application, to add Dichotomy Power Maine LLC (Dichotomy) as a co-transferee. Presumpscot remains a co-transferee. Because the amendment modifies the proposal in the original application, the Commission is issuing notice of the amended application.
